

Celia Popovic and Fiona Smart invite you to the March 2022 Speakeasy.

Sorry, not sorry

Does working in academic development make you feel as though you are in a hostage situation? How many times last week, last month, last term did you feel able to say what you really thought? What would happen if you did?

This session invites you to go off message, to flip the script, and to tell some home truths. Go on, we dare you. We'll go first . . .

Wednesday March 23rd, 2022
11.00 to 12.00 (EST Canada);
15.00 to 16.00 (BST, UK)

To register: email Fiona at f.smart@napier.ac.uk
